

Our commitment to servicing our customers with quality product at competitive price and on-time delivery is backed by our continued investment in our equipment. Our employees and in our systems . ABIS is a full service molding that a 12 000 square foot facility housing our molding department in-housing mold making , quality control. Warehousing secondary operations and offices , If we find a client's product concept would be too costly to manufacture . We will assist the customer in designing parts that not only can be manufacture but one that can be made cost-effectively from prototype to production. With our extensive experience we are confident .We have the solution to your next injection molding application.

## Product Description

|                     |                                                   |
|---------------------|---------------------------------------------------|
| Part Name           | Injection Cosmetic Bottle Cap Cover Mould Factory |
| Description         | Household Devices                                 |
| Country of Original | ShenZhen, China (Mainland)                        |
| Brand Name          | ABIS                                              |
| Lead Time           | 20-35Days                                         |

### Payment Terms

1. T/T: 40% Deposit,30% upon T1 Sample,30% Balance before shipment
2. L/C: irrevocable 100% L/C at sight.

## General Information

| Item# | Item              | Description                                       |
|-------|-------------------|---------------------------------------------------|
| 1     | Product Name      | Injection Cosmetic Bottle Cap Cover Mould Factory |
| 2     | M o l d   b a s e | LKM;HASCO;DME                                     |
| 3     | Shaping Mode      | Plastic Injection Mould                           |
| 4     | Product Material  | Plastic, ABS/PC/PP/PVC/PA/PMMA/PBT                |
| 5     | Material          | S136/2344/NAK80/718                               |
| 6     | Gate type         | Pin point gate                                    |
| 7     | Cavity            | Single or multi                                   |
| 8     | Design software   | UG,PROE,CAD,SOLIDWORK                             |
| 9     | Runner            | Hot runner or cold runner                         |
| 10    | Design            | Drawing offered by clients or by our engineer     |

|    |                |                                          |
|----|----------------|------------------------------------------|
| 11 | Mould size     | Based on sample                          |
| 12 | Transportation | By sea, by air or by land as you request |
| 13 | Package        | According to clients requirement         |
| 14 | Mould life     | 250000-100000shots                       |

## Company

## Information

ABIS was founded in Shenzhen China, adjacent to Hong Kong, in 1996, has its own factory of 12,000 square meters. With the advanced facilities from Germany, Swiss and Japan, and a highly experienced design and engineering team, ABIS builds multi-cavity molds to exacting tolerances, providing the critical structural foundation for leading manufacturing companies to produce high precision mold.

|    |          |         |               |                  |                    |   |

| 7  | Mass      | Production |

ABIS applies advanced software for mold design-Auto CAD, UG, Solid works and ProE etc. So far, ABIS has received the "ISO 9001", "ROHS" green, SGS certificate.

## Certification

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Tooling Shop

## Packaging & Shipping

## Why choose us?:

1. More than 20-years experience.
2. ISO9001:2008 certificated.
3. Competitive price with high quality.
4. More than 50 machines support to run the business.
5. Custom R&D program coordination.
6. Expert technicians.
8. Diligent and loyal workforce.
9. Up-to-date software.
10. International standards, SAY, HASCO, DME, MISUMI, etc
11. Well-rounded after service.

We will give our best service, quality, price and delivery time !

If you have any question just call me or send E-mail to me please!

Lynn Xiao(International sales)

Add:B Building, YingkeLi Area, Longdong Community, Longgang District, ShenZhen, China 518116.

## FAQ

Q1:What kind of molds do you make? Plastic injection mold, Die casting mold or something else?

A1:We are mainly making plastic mold injection and Die casting mold. Sometimes we also make stamping molds according to our customer's requirements.

Q2: Do you build hot runner plastic moulds?

A2: Yes. We build hot runner?Plastic Moulds and specialized in many different systems,?such as DME,Master,Mastip,Hasco,Yudo,Incoe,Husky,etc.

The manifold recommended for your tool is selected to meet your individual needs.

Q3: What types of files do you accept (drawings)?

A3: With our CAD systems we can accept following files:  
STP, IGS, DXF, DWG, Cad Key PPT, STL, X\_T, CATIA, UG files, etc.

Q4: What kind of steel do you use for plastic mouldings?

A4: We can use any type of steel appointed by customer or popular in the market.

Such as P20, 718, 8407, NAK80, H13, S136, DIN 1.2738, DIN 1.2344, etc.
